

# MAGNETIC FLOOR SWEEPERS

ART NO. 61104

## Features

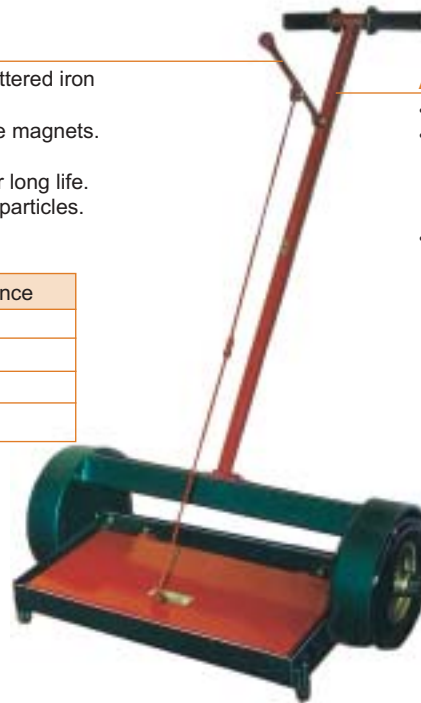

- Easy to operate and quickly cleans floor of scattered iron particles.
- Magnet housing with powerful Strontium Ferrite magnets.
- Magnet never loses magnetism.
- Supported on rubber wheels on ball bearing for long life.
- Quick actuation of lever for discharging of iron particles.

## Applications

- Very useful in machine shop.
- Cost effective in packing department to retrieve costly raw materials like nuts/bolts/balls/bearings etc.
- Prevents damage to shoes and avoids accidents.

All dimensions are in mm.

Art.no.	W	L	Floor Clearance
61104.01	150	300	30
61104.01	200	450	40
61104.02	200	600	40
61104.03	250	1000	50

# TROLLEY MAGNETIC FLOOR SWEEPERS

ART NO. 61105

## Features

- Available in hanging and trolley mounted type models.
- Operating height from 75-150 mm.
- Sweeps the roads/ shop floor and removes scattered iron particles.
- Magnets used are powerful Strontium Ferrite magnets.
- Hanging type with provision for jeeps, fork lifts, behind vans.
- Trolley type on 300 mm dia tyres and can be towed by truck/tractors.
- Quick actuation of lever for discharging of iron particles.

## Applications

- Ideal for airport, parking lots and factory roads.
- Very useful for repair shops, garage, fabrication, structural and assembling plants.
- Available upto 3000 mm width.
- Larger units with built in diesel generator or battery operated can be made for effective cleaning and easier operation.

• These are manufactured as per customers' specification • Sweepers with powerful NdFeB magnets can be made at extra cost.

- Due to continuous upgradation in design there could be changes in specifications.
- Other sizes on request.
